

Cheryl Kay Frishman

March 30, 1966 - January 4, 2026

Cheryl Frishman, 59, of McKinney, passed away on January 4, 2026.

She was a loving mother, proud “fur” nana, sister, and friend. Cheryl was known for her quick wit, infectious laughter, and the way she could make anyone feel at home. She had a special way of stepping in as a second mother to so many of her children’s friends, offering love, and a safe place when it was needed most.

After the loss of her husband nearly twenty years ago, Cheryl became a single mother and faced life with incredible strength, resilience, and determination. She was truly a badass, raising her family, carrying her grief with grace, and never losing her sense of humor or love for those around her.

In recent years, her greatest companion was her beloved dog, Woo, who brought her comfort and unconditional love. She considered her pets family and embraced her role as a devoted “fur” nana with her whole heart.

Cheryl is survived by her children, Karleen, Adam, Shyann, and Hunter. She was preceded in death by her husband, Gary, whom she loved deeply and whose loss shaped her strength and devotion to her family.

Cheryl will be deeply missed and forever remembered for her laughter, her

strength, and the love she gave so freely.
