“ We had the great fortune to meet Dorothy when she and my mother-in-law, Isabelle Sonnier, became roommates at On the Park in Plano, and oh boy did things change for the better upon her arrival.

To say that Dorothy was nothing but pure Joy and Light and a Godsend would be an understatement. She and I shared the same birthday and I called her our Earth Angel. Once Dorothy appeared, my mother-in-law had no more lost items from her room because Dorothy kept all staff on their toes and even long lost items were found and returned because Dorothy went into the laundry herself and located them. Dorothy and my mother-in-law loved receiving Holy Communion and saying Rosary together as they often did with Kelli from Seton. Catholic Church and their “ice cream socials” they would have when my husband would bring them ice cream on visits. Miss Dorothy was one of the most radiant spirits ever sent to earth and we were blessed to have shared a tiny part of her life.

Dorothy loved her family dearly and knew without a doubt that her family cherished her too. The way you guys lavished her with love, fun and fashionable gifts, decorated her room, and attended to her every need, to the end, is a wonderful testimony to the kind of loving being Dorothy was her entire life. All her love for her family was returned ten fold. She was so happy and proud of each of you.

Now that Earth’s sweet Angel returns to Heaven, know that she is always with you, filled with light and love and will always be your Guardian Angel. Rest assured that she has also organized the other Angels who just arrived, with love of course, and all are joyfully falling in line. Her light is shining even brighter now.

May God Bless and Hold each of you in his loving arms as the Angels sing and rejoice, celebrating your Beloved’s arrival and she hugs your father, her other children and her little pet. Everyone can say to her “Well Done!”

Please accept our heartfelt condolences and know we will forever hold you and Miss Dorothy in our hearts and prayers. Dorothy’s light

*illuminated this world and shines even brighter now in Heaven.
We miss her too.*
