“ In Loving Memory of My Love of my Life for 46 Years 9 Months.

You may be gone from my side, but I know God sent the Angels to Come and get you. Now you have your Angel Wings. Fly High my Dear.
Being a Pilot, you have flown in the skies for many years, and now you're Stairway to Heaven, you have reached you highest height you talked about.

I will Miss You so much. You will always hold A special place in my Heart & Soul. Till we are together once again, Fly High My Love.

Love You forever,
Sheila

“ *Papa Eddie was a huge reason why I fell in love with planes and flying. Watching him fly his model airplanes was something I always wanted to do, but didn't always get to be present.*
