“ We are so sorry to learn of Gerald's death. Gerald was my father, Elmer Denning first cousin (Emmeran and Pauline's third son). When my parents married, Gerald served as one of their groomsmen. Fifty years later, he again served as a groomsman at my parents renewal of their vows. Although I only remember meeting him that one time, I appreciated his kind words when we spoke and his dedication to travel to Hutchinson for my parents celebration.

Dad said his family visited Gerald's family often when they went to church in Wakeeney, At one time my grandparents and their five boys lived in Ogallah, (my aunt Margie was born after they moved).

We send our condolences to your family.
