Dear friends, family, and compassionate supporters,

We lost a great man on
March 10, 2025

I am writing to you on behalf of my husband Jack Platt, he loved music, John Deere tractor, outdoors, football, and good ole diomons. Jack is a devoted husband, father, brother, grandfather, and proud veteran who served in the Air Force. Recently, Jack was diagnosed with Acute Myeloid Leukemia (AML) with an FLT3 ITD mutation, a rare and aggressive form of cancer.

As a family, we know that Jack was a fighter. His courage and resilience have always inspired those around him, but tonight Jack lost his battle with Leukemia.

“ *To my BFF Cindy. There are no words to tell you how broken my heart is for you.*

I know how much you love Jack and I also know how much he loves you.

Your soulmate... Your best friend... Your lover... Your life.

I know you will miss him dearly, but always know that he's there with you by your side every moment of the day. Watching over you... Holding your hand... And loving your heart.

I am always here for you, my sister, and please know that you mean the world to me and I love you with all my heart and soul
