

Justin Cody Wiedeman

August 20, 2001 - November 15, 2021

Justin Cody Wiedeman went home to be with his Lord and Savior Jesus Christ on Monday, November 15, 2021 in Farmer's Branch, Texas. He is completely healed from his pain. Justin was born August 20, 2001 in Carrollton, Texas to Kimberly Ann Paul (Frank) and Randall Scott Wiedeman. He was blessed by his "bonus" father Oscar Edward Paul on Sept. 3, 2015. Justin grew up in Little Elm, Texas and graduated from Braswell High School in May, 2019.

Justin will be greatly missed by his mother and father, and Oscar Paul, his brothers Jared Colby Weideman, Jayden Cross Wiedeman and Jordan Cade Wiedeman; sisters Elizabeth Ann Wiedeman and Victoria Randel Wiedeman; nephews Ezra James Cross Wiedeman and Kalel Maximus Wiedeman; grandparents Gerald William Frank and Betty Jo Frank, William Len Wiedeman and Ellen Ruth Wiedeman; "bonus" grandmother Ola Faye Paul; step-sister Ashley Nicole Bitner and her husband Brandon Don Bitner; step-brothers Jonathan Edward Paul and his wife Anna Isabel Paul and Brandon Lynn Paul; step-nieces and nephews Alexa Nicole Paul, Aiden Bradley Bitner, Jayda Michelle Paul, Harper Lynn Bitner and Ledger Don Bitner, and several beloved aunts, uncles, and cousins.

Justin was a loving son, brother, and uncle. He loved his family deeply and thought his nieces and nephews hung the moon. He was a loyal friend, a

pleaser and had a huge heart. Justin researched psychology to get to know and understand himself and others.

God called Justin to ministry at a young age. He worked with the children's ministry on the Timothy worship team and in junior high was on the prayer team with Tracy Edwards.

Justin enjoyed skateboarding with his friends at skate parks. He felt free on his board. Of course, he loved the water and water sports: knee boarding, skiing, and tubing, especially at Oma and Opa's lake house with his siblings and cousins. Video games were his pastime, and would play with his friends all night.

Justin escaped life with art such as drawing and pottery. He could get lost in other's art and had appreciation of their work. It was very soothing to him.

People who knew Justin could not help but love him. He was so sweet and tender. Our family considers it a blessing and a privilege to have been loved by him and be a part of his life. He will be deeply missed.

“ Justin was a beautiful spirit. He was greatly loved by my niece Her name is Jade. Those who knew him, knows her. She was his light and he hers. Like all adolescents they loved with an intensity like no other. Justin left behind awareness, tenderness, compassion, strength, hope, love, and understanding. Those gifts given through experiencing the loss of his sweet spirit. I am grateful he was in my niece's life. I am grateful he was loved by her and him by her. Let them both know that God gave them what they had and it will never be taken away. Let her smile at his memory and laugh at the all of their fun times. Let him rest in peace and know he touched so many and enriched the lives of those he knew and loved.
Thank you Justin, you will always be in our heart. Know you are loved and will be missed but never forgotten.
