

Mattea Breanne Watson

June 2, 1986 - July 15, 2022

Mattea Breanne Watson, 06/02/86-07/15/2022

Mattea Breanne Watson, died quietly on Friday, July 15, 2022, at the age of 36.

Mattea was born to Brian and Lee Anne Watson on June 2, 1986. Mattea attended and graduated from Denton schools. This year, she celebrated 18 successful years of hair styling. Her employer was closed on Friday in her honor.

Mattea was known for many things: her excellent haircuts, her ability to work with all ages, her wicked sense of humor, her voices, her answering machine message, her daily TicTok and snap chats, and her Texas drawl. Despite her funny side, she did have a serious love for children. Her own children. In a world where adoption does not often make a topic of discussion, Mattea lived it. She made the choice for three of her sons because she loved them.

Mattea struggled with mental health issues and alcohol addiction. During the fifteen-year struggle and fight against it, she found love and support. For that, our family will be forever grateful. In Mattea's honor and in lieu of flowers, please donate to: Denton County MHMR (dentonmhmr.org) or the Cystic Fibrosis Foundation.

Mattea is survived by two sisters: Macie Lopez and her husband Michael (nephews Micah, Maxten, and Mitchell); Morgan and her husband Skylar Burt; and one brother, Matthew Watson. Mattea's life was blessed by the presence and kindness of her grandparents James and Anna Blalock; she is also the granddaughter of Billie Watson; Mattea is survived by several aunts, uncles, cousins, and countless friends. Mattea was preceded in death by her Grandfather Frank Watson and by her second son, Gavin Frank Watson Darling. He was the sun, moon, and stars; with his passing, her life was forever changed.

Sincerely, we will all miss our crazy, funny, "Oh look. Another glorious morning. Makes me sick!" Mattea. She is now in our hearts; our love for Mattea, when asked, will always be, even after all this time, always. We loved her always.
