“ How do you begin to say goodbye when it seems like yesterday one saw Myra's sweet smile and generous heart. Always putting others ahead of her own needs was Myra. Myra will not just be missed by her family, she will be missed by all who knew and loved her. I was honored to be one of those that knew Myra and was a recipient of her love and kindness. Although I have not seen Myra and her wonderful Ken in several years, just knowing they were here with us made life better. She and Ken will be missed and they will always have a piece of my heart. My deepest condolences to Myra and Ken's DeAnna, Valerie, Rick and families.

Warmest Love, barbara birdsong hutcheson

“ Valerie, DeAnna, Rick and all the family - As you grieve know that we are remembering you and honoring the memory of Myra. She is the most beautiful soul and spirit. Mom talked about her so much and valued her friendship. She was so good to me as well. I know my mom was there to greet her and I feel like they will be watching over us as angels. Much love, Kelly F Ross
