

Obdulio Martinez

July 26, 1937 - May 31, 2023

Obdulio "Pastor" Martinez was the 5th of 8 children born in Pinar del Rio, Cuba.

He married his childhood sweetheart Margot after establishing himself as a lithographer in Havana. They had a daughter Emily. In pursuit of a better life they came to the US by way of Spain settling in New York City near his siblings. He was a hard worker from a very early age, a dedicated husband for over 60 years, a doting father, a dependable brother and easily built friendships lasting as much as 70+ years. His love, compassion, wit, humor, strength, devotion & unique ability to make others feel at home will be remembered by those whose lives he touched. He loved baseball watching any team on TV even if it wasn't the Rangers or the Yankees. He read and watched westerns, never missed the newscast, enjoyed a lively game of dominoes, fishing or any good meal preferably at home not a restaurant. At Christmas he spent days trying to fix the broken lights so as not to throw them away. His spirit and memory will be treasured evermore until his family is reunited with him in God's Kingdom.
