

Robby Don Knupp

August 15, 1973 - August 30, 2024

It is with profound sadness that the family of Robby Don Knupp announce his sudden passing on August 30, 2024, from a massive heart attack, at the age of 51. He will be greatly missed by his family and friends.

Robby is survived by his children Austin, Azure, Jacob, and Ayden; his wife Amber; his parents Kathy and Bryan Firth, and stepmother, Lisa Knupp; his sisters, Melissa [Matthew] Walker, Desiree [Felton] Brawner, Kandi Knupp, Breeze [Matt] Davis, Amber [Scott] Puckett, and Nicole Fields; his brother Clay [Lauren] Knupp; as well as numerous nieces, nephews, cousins and friends whom he loved dearly.

Robby was preceded in death by his father Dale Knupp; his brothers Eli Knupp and Joseph Firth; his nephew Michael Walker; and his grandparents George & Robbie Knupp and Donald & Barbara Brooks.

Robby loved being a dad and knew he wanted several children from a young age. His children were his greatest joy and raising them was his proudest accomplishment. Robby was a long-time employee of Innovative Machine and Laser (where many of his co-workers became family to him) and most recently of M & M Precision Metal Fabrication. He was a man of few words, but full of humor and generosity. He came to know the Lord late in life and sometimes liked to go onto the streets to minister to others. Robby had many interests.

He was a rockhound and loved doing shows and sharing his collections. Recently, he bought property in Arkansas and was working (with the help of his children) on building a cabin for his retirement, this was his childhood dream and will be his final resting place.

Memorial donations may be made in Robby Knupp's name to Cystic Fibrosis Foundation 4550 Montgomery Ave. Suite 1100, North Bethesda, MD 20814; www.cff.org/donate; a cause that was very near and dear to Robby.

“ Robby was several years older than me and rode my bus when I was a kid. He wasn't loud or boisterous, but he was friendly to everyone. He had a kind smile and looked out for those of us who were younger. He treated everybody like somebody. I really liked him. He was just a good guy. I am really sad to hear of his passing.
