In Loving Memory
Roleine Byran Park

April 9, 1954 – March 25, 2025

With heavy hearts, we announce the passing of Roleine Byran Park, a kind caring and gentle soul who touched the lives of many. Born on April 9, 1954, in Denton, Texas, Bryan had an insatiable curiosity and deep appreciation for history, art, and culture. He loved visiting museums, immersing himself in books, and sharing his passion for cooking with those around him. His joy for travel took him to places rich in stories, and he delighted in bringing those experiences home to share with family and friends. Bryan was a devoted father and grandfather, cherished by his daughter Lilly and her husband Gary Walters, along with his beloved grandson Bradley of Saint Cloud, Florida. He is also survived by his son Tony Park and his wife Sherry Sandstrom of St. Petersburg, Florida. Bryan's memory will be carried on by his loving siblings: his brother Jason Park and wife Donna of Denton, Texas; his sisters, Liska Cook and husband Allen, of Stevenson, Washington; Laura George of Plano, Texas; and Missy Byrum and husband Russell, of Midlothian, Texas. He also leaves behind numerous nieces, nephews and dear friends who will forever hold him in their hearts.

Bryan's warmth, wisdom and passion for learning made him a treasured presence in the lives of everyone who knew him. Whether he was exploring a museum, cooking a favorite dish, or sharing a fascinating story, he brought light and joy to those around him. His legacy of kindness, curiosity, and creativity will live on in the memories of those who loved him. He will lay to rest next to his partner Steve, whom he shared many years of love within his life.

A celebration of Bryan's life will be planned at a later date. In lieu of flowers, the family encourages donations to a local library, art museum, or historical society in his honor.
