

## Scott Ryan Archbold

September 10, 1963 - May 9, 2021

Lewisville, Texas - (September 10, 1963 - May 9, 2021)

Scott Ryan Archbold was born on September 10, 1963, in Houston, Texas to Leonard

Archbold and Judith Fenelon. He passed away at the age of 57 on May 9, 2021, after a

valiant, nearly 100 day fight against COVID. He was married to his loving and devoted

wife Christine Thormahlen for 34 years. Scott is survived by his children Kyle Archbold

and his wife Rachel, Megan Archbold, and Ian Archbold.

Scott worked for the Four Seasons Resort & Club in Los Colinas, Texas, from 1987

through 2020 in security and PBX operations.

Scott was an avid Houston sports fan - a Houston Oilers season ticket holder in the "Luv

Ya, Blue" days of Bum Phillips and Earl Campbell, and number one fan of the Houston

Astros, Rockets, and Texans.

More than anything, Scott was a family man. He loved his kids and enjoyed nothing

more than spending time with them watching movies, eating barbeque, and telling silly

jokes. He was known for his gentle personality and most sincere kind heart. Scott was a man of extraordinary personal strength and ability to persevere through his physical challenges, a quality highly respected and admired by all who knew him.

“ *What an incredible man Scott was! All the ups and downs of a hotel and there he was, smiling.. Smiling as if everyone wasn't running around in flames. Such a rock and a listener. He taught the people around him more than he will ever know. I take with me the lightness that was Scott. Its true that no human can be duplicated and Scott is the epitome of that. One of a Kind Man, truly...  
Oh ya, GO HOUSTON (I'm a Cowboys fan)

“*Scott was a good man, a giant of a man. I know he was often in pain the past few years but he pushed thru it so many times. The world is a better place because Scott walked here. Just pushing thru Covid for 100+ days and making it home is a miracle. He will be missed. If you suddenly awake at 530am you will know it is just Scott giving you another wakeup call.*”
